I understand with this enrolment I will be a guest in the places and countries where I visit. Therefore I agree to respect the people and the culture of places we visit and also listen to and follow advice from the tour guide and team leaders. As a responsible traveller, I understand I must pay my HOPE Tour costs on time and realise that I am responsible for my own passport, travel to and from Sydney airport and any immunisation or other necessary medication I may need. Finally, I declare I have sufficient funds available to pay for the whole trip and believe I am healthy and unaware of any condition which may hinder my travel to an overseas country.

Team Leaders - Ben & Helen Betz

Ben & Helen Betz are pastors and missionaries connected with Heartfelt Hope, a registered charity and NGO working in Australia and overseas. They are also leaders with the Alliance church in Woden Canberra and have a passion for preaching, teaching, evangelism and spiritual retreats both locally and internationally. Ben & Helen believe the Gospel needs to be accessible to all and presented in ways which people will relate to, understand and retain.

Ben has a background as a tradesman before he went on to complete a BTh in Theology and a Certificate IV in Family Counselling. Some of his experiences include managing a Christian youth campsite for 11 years; being a chaplain to the NSW Police force; being senior pastor in a church for 8 years; organising and teaching at leadership seminars and theology workshops in Uganda, Zambia and Vanuatu; holding relationship seminars in Africa and Asia and encouraging people in their faith using down to earth examples and object lessons. Ben loves to surf, watch a movie, eat good food and meet new people.

Helen started her career in Mothercraft nursing before she went onto complete a Diploma in Theology, a Diploma in Creative Arts & Christian Worship and a Diploma in Family Counselling. Helen's experiences also include helping to run a youth campsite; establishing a community counselling & wellness centre; helping lead a church for 7 years; run health/hygiene workshops in Cambodia, Uganda, Zambia and Vanuatu; running spiritual retreats and using drama, worship, painting and story-telling to help people connect with God. Helen enjoys interior design, gardening, art, cooking and loves to sing.

Ben and Helen have been married for 27 years, have 3 incredible children (who are between the age of 21-26) and enjoy spending time together as a family.

Ben and Helen would like to invite you to join them on a tour of Israel and Jordan. This tour has been designed to follow the timeline of the Bible from the Old Testament into the New Testament and following the steps of Jesus from His birth in Bethlehem, to Nazareth to His ministry in Galilee and finally into Jerusalem. This tour has been set at a relaxed pace which allows you to reflect & absorb the many aspects of our rich Biblical history & culture.
