

Mark calendar to help project

PICTURES WORTH A THOUSAND WORDS: Forster Tuncurry Church of Christ members Jessica Betz, Renae Eldridge, Larni Jeffery and Kirra Betz selling the Heartfelt Hope calendar, to help fund the establishment of an orphanage and community centre in Uganda.

A FORSTER Tuncurry Church of Christ group, which travelled to the poor African nation Uganda last year with medical supplies, sports gear and children's clothing, is on another mission.

Since returning they've set up the not-for-profit organisation Heartfelt Hope with the vision of going back to Uganda to build an orphanage and community centre.

To help them in their mission the group has produced a calendar and hard-bound coffee table book with images taken during their July trip.

The calendars (\$18) and books (\$28) can be purchased from the shop Something Special in Manning St Tuncurry near Medicare or by contacting Helen on
